

Unit 6 – Portfolio 2

Quadratic Relations from an Algebraic Perspective

Layer	Task	Task Notes	Points	Earned
Common Tasks – do ALL	1. Multiplying Polynomials by Monomials	Link to the first worksheet .	9 points	
	2. Multiplying Polynomials	Link to the second worksheet	9 points	
	3. Greatest Common Factor	Link to the third worksheet	9 points	
	4. Factoring Difference of Squares	Link to the fourth worksheet	9 points	
	5. Factoring Trinomials	Link to the fifth worksheet	9 points	
	6. Factoring Trinomials Completely	Link to the sixth worksheet	9 points	
	7. Zero Product Law	Link to the seventh worksheet	9 point	
	8. More Work with the Zero Product Law	Link to the eighth worksheet	9 points	
	9. Using Quadratic Functions to Factor	Link to the ninth worksheet	9 points	
	10. Solving Quadratic Word Problems I	Link to the tenth worksheet and then the eleventh worksheet	19 points
