

Unit 3 – Linear Equations – Portfolio 2 – Equations of Lines

Final date for this Lesson work to be submitted is

Layer	Task	Task Notes	Points	Earned
Common Tasks – do ALL	1. Slope as Rate of Change	Link to the first worksheet . Work with one new partner. Partners signature here:	10 points	
	2. Writing Equations of Lines	Link to the second worksheet Work with one new partner. Partners signature here:	10 points	
	3. Graphing Lines	Link to the third worksheet Work with one new partner. Partners signature here:	10 points	
	4. Horizontal & Vertical Lines	Link to the fourth worksheet Work with one new partner. Partners signature here:	10 points	
	5. Modeling With Linear Functions	Link to the fifth worksheet Work with one new partner. Partners signature here:	10 points	
	6. Lines of Best Fit	Link to the sixth worksheet Work with one new partner. Partners signature here:	10 points	
Proficiency	Linear Equations – data Collection & Analysis	1. Complete Bungie Barbie Lab →(here is a second link) → FYI:(bungie jump video link here) 2. Complete Linear Leaping Lab	16 pts 16 pts	“A” Level
Mastery	Linear Equations – data Collection & Analysis	1. Complete Bungie Barbie Lab →(here is a second link) → FYI: (bungie jump video link here) 2. Complete Linear Leaping Lab 3. Complete Flat Roof Lab	12 pts 12 pts 11 pts	“A” Level
Expert	Linear Equations – data Collection & Analysis	1. Complete Bungie Barbie Lab →(here is a second link) → FYI: (bungie jump video link here) 2. Complete Linear Leaping Lab 3. Design your own Lab	13 pts 13 pts 14 pts	“Studies” Level
