

Unit 3 – Linear Systems – Portfolio 1 – Methods of Solving Linear Systems

Final date for this Lesson work to be submitted is

Layer	Task	Task Notes	Points	Earned
Common Tasks – do ALL	1. Solving Linear Systems Graphically	Link to the first worksheet .	15 points	
	2. Solving Linear Systems by Substitution	Link to the second worksheet	15 points	
	3. Solving Linear Systems by Elimination	Link to the third worksheet	15 points	
	4. Solving Linear Systems – Selecting Algebraic Methods	Link to the fourth worksheet	7.5 points	
	5. Applying & Solving Linear Systems on the TI-84	Link to the fifth worksheet	7.5 points	
Proficiency	Applying Linear Systems – Word Problems	1. Complete the sixth worksheet . 2. Complete Q1,2,3,4,6 on the seventh worksheet .	16 pts 16 pts	“A” Level
Mastery	Applying Linear Systems – Word Problems	1. Complete the sixth worksheet . Work with a new partner. 2. Complete Q1-7 on the seventh worksheet .	16 pts 19 pts	“A” Level
Expert	Applying Linear Systems – Word Problems & Scatterplots	1. Complete the sixth worksheet . Work with a new partner. 2. Complete Q1 - 7 on the seventh worksheet . 3. Complete Q8-9 on the seventh worksheet	16 pts 19 pts 5 pts	“Studies” Level
